

## JOBS AT

### **Vertical is growing and we're looking for you!**

Vertical Communications® is currently looking for qualified candidates for the following position.

#### **Job Title: Electronics Technician**

**Location:** Tempe, Arizona

#### **Job Description**

The Electronics Technician will install and assemble systems based on technical specifications. Daily tasks include repairing and maintaining electronics systems, operating power and manual tools, making cable and wiring connections accurately, performing system testing to evaluate performance, repairing and installing software, maintaining inventory control, maintaining documentation of system installation, recommending upgrades and modifications, analysis; and undertaking drawing and technical manuals for performing system installation activities.

Candidates should have extensive familiarity with computer, analog, and digital systems, proficiency in using monitoring and diagnostic equipment, an ability to identify computer problems, and technical skills.

#### **About Us**

Vertical delivers voice, mobile and collaboration solutions for how we work today. We are inspired by the always-connected, data-driven enterprise that embraces the new ways of working made possible with mobile and cloud technologies. We replace the traditional business phone system with a communications platform and secure cloud services that enable powerful new workflows to ensure you are always connected to your customers. Wherever. Whenever.

Interested? We want to hear from you! Please send your resume to [hr@vertical.com](mailto:hr@vertical.com).
